**Subject:** Land Management (Native Vegetation) Code 2017

To whom it may concern,  
I wish to let you know that I support all of the concerns addressed within the submission by the NSW E. D. O. on the Land Management (Native Vegetation) Code 2017 proposal.

I agree with the serious concerns with the deregulation of native vegetation clearing and emphasise the significant risk of policy failure in parts of the proposed Code..

Sincerely  
Mike Farrell
